## Our Speakers

Alan & Lisa Robertson have served in ministry for their church in West Monroe, LA for over 35 years. Al pastored there for over 22 years before leaving to return to the family business, Duck Commander, in 2013 and to begin appearing on the Robertson's TV show, Duck Dynasty. Al is the oldest son in the Robertson clan & Lisa is the family's original daughter-in-law. They have been married for 40 years and co-authored 3 books including: *A New Season*, *Desperate Forgiveness*, and *The Duck Commander Devotional for Couples*. Our audience will both laugh and cry as the Robertsons share their personal story of unplanned pregnancy, brokenness, redemption, and healing.

## Audience

The PRC is a ministry that demonstrates the gospel of Jesus Christ in word and deed to those we serve. Our attendees will share some common characteristics, primarily identifying as Christians from varied churches and denominations. These individuals will be part of our community representing a wide range of professions. They all share a common aspiration: to discover ways in which they can contribute to the well-being of others in the community.

## About the PRC

We are a faith-based non-profit 501(c)3 team of Believers, helping anyone with pregnancy-related needs. Our key focus is to come alongside women as they navigate an unplanned pregnancy, from the time they find out they are pregnant to the conclusion of their pregnancy and beyond.

- All services provided are free of charge
- Pregnancy testing, limited diagnostic ultrasound, and STI testing and treatment
- Trained staff work lovingly to support and counsel a woman as she processes her choices
- Help with assistance programs for prenatal care, protection from abuse, educational goals, adoption referrals, shepherding homes, and much more
- Sexual risk avoidance education for local students

## Why it Matters

Abortion is not women's healthcare. Abortion is the greatest human rights issue of our time. Since 1985, the Pregnancy Resource Center has opened its doors and hearts to women and men who are considering abortion. Over the last 4 decades, we have grown as a ministry and have continued to

serve our clients well. In mid-August of 2025, we moved into our beautiful, expanded space in the Van Rand Professional Building in Glenwood where we have been able to minister to more abortion-minded and abortion vulnerable women & men than ever before. Your donations make an eternal difference. **Those who support us will gladly support you** as they see and know you are not an advertisement, but a caring member of society helping in our own backyard with the most pressing social issue we face today. Please partner with us as we endeavor to touch and save one precious life at a time here on the Western Slope of Colorado.
